Choosing a Fragrance for your Home or Business

The Ecomist perfume matrix is a tool designed to help you choose the right fragrance for your space. Simply choose your interior style from the left hand column in the perfume matrix below. Cross reference the style with the desired mood, impression or feature colour from the top menu to find the appropriate fragrance.

eg: A modern architecturally styled home with large windows and polished concrete floors would choose, 'Modern Minimalist' decoration and Glass & Fluid impression - Perfume 23 (Ozone). Note: Neighbouring numbered fragrances may also be suitable such as 12, 13, 24, 35 or 35. For more information see our website (details on reverse)

*Ecomist Aerosols are not to be sprayed directly onto ones person or be inhaled in large quantities. The Medicinal range of perfumes contains essential oils of the mentioned extracts and medicinal properties are based on traditional medicinal solutions. Ecomist does not accept responsibility for injury resulting from misuse of our products.

Ecomist Odour Neutralisers

All fragrances (except the Mood Maker collection) are available in Odour Neutraliser aerosols. Ecomist Odour Neutralisers will eat up bad odours and provide a beautiful fragrance around your home or business. Ecomist fragranced aerosols are available in both high and low fragrance options.

Our Range of Fragrances

The Perfume Matrix

A tool exclusive to Ecomist, developed by the Yves Andre French Parfumery making it easy to select the right fragrance for you. Use the matrix to help you choose the perfect fragrance for your space, based on your decoration, feature colours and desired mood.

Food List

Get the taste buds working overtime with our Food scented range of perfumes.

Favourites

These classic perfumes are some of the most popular fragrances from our collection.

Medicinal

Based around traditional herbal treatments. The use of natural properties of plants and plant extracts for health maintenance.

Mood Makers

The Mood Maker collection draws on ancient aromatherapy texts for fragrances especially formulated to create specific moods. Due to the use of nature of these essential oils, Ecomist Mood Makers are the only aerosols without an odour neutraliser.
